

### [How To Install Mods On Uplink](#)

The screenshot displays the Uplink interface. On the left, a news list is shown with columns for 'Date' and 'Subject'. The selected news item is: '19:00, 21-3-2020 Top Uplink Agent re-assures community'. The main content area shows the full text of this news item, including a quote from 'Agent JahnSmart'. On the right, an email view is shown with a red world map header, 'Disconnect' button, and email details: 'From: Agent Shell', 'Date: 02:00, 13-4-2020', and 'Subject: Warning about J6'. The email body contains a message from Agent Shell regarding a top secret project and a stand-alone server room. At the bottom, there are 'Close', 'Reply', and 'Delete' buttons.

**EMAIL**

From: Agent Shell

Date: 02:00, 13-4-2020

Subject: Warning about J6

[Autosend - 7 day delay expired]  
[Sent to ALL-AGENTS]

Agents,  
If you are reading this email then it means I am dead. I have been working for jomgegar for the past month on a top secret project - and until yesterday I did not even know what exactly I was coding.

This story hit the news and I decided that I should try to find out what was happening with project Revelation - and yesterday I managed to gain access to their stand-alone server room and copy
